Dear Secretary Dortch,

This is a public comment for the Second Further Notice of Proposed Rulemaking for **WC DOCKET NUMBER 12-375**.

I am a prisoner in New Jersey fighting a fifty year prison sentence. It is, at times impossible for me to stay in touch with my family. I am a husband and father of three. I have countless nieces and nephews. My wife can not afford the phone rates so at times I go for months, at one point went for three years, without speaking to her or my children. She works two jobs to provide and to come and see me is even a major expense.

In all the prison's rules and manuals they say they promote family and community ties but the reality is they make it nearly impossible to stay in touch.

This letter is an appeal to those in control to help lower the rates for intrastate phone calls.

Thank you,

Rasool McCrimmon
